TO : THE SERVICE PROVIDERS IN THE PANEL OF CONTRACTORS

**FROM : THE MUNICIPAL MANAGER
MR. G.M SINEKE**

DATE : 08 OCTOBER 2025

SUBJECT: NOTICE OF DISBANDMENT OF THE PANEL OF CONTRACTORS

The communique serves to notify all the awarded service providers for the panel of contractors on the discontinuation of the panel of contractors.

Harry Gwala District Municipality has been in numerous consultations with both Provincial and National treasury regarding the utilization of the established panel of contractors. Though the establishment of the panel was correct and in line with all SCM prescripts, the utilization though may lead to the municipality incurring irregular expenditure.

It is with this background that Harry Gwala District Municipality will discontinue with the utilization of the panel of contractors, effective immediately and opt to advertise all construction work through an open tender system.

Hoping that this request will reach your favourable consideration.

Yours faithfully

**MUNICIPAL MANAGER
MR. G.M SINEKE**
